THE ONLY COMPONENTS NOT COVERED:

Cases, housings, engine block and cylinder heads are covered only if damaged by the failure of an internally lubricated part.

·Non-factory installed electronics including but not limited to DVD players, visual and other electronic equipment (including game systems), telephones, radar detectors, and GPS equipment, audio components including radios, tape players, and compact disc players.

·Graphic equalizers and speakers are not covered regardless of whether they are factory installed.

·Interior maintenance, adjustment and wear items including but not limited to buttons, carpet, water leaks, dash pad, door and window handles, knobs, rearview mirror (glass and housing), safety belts and restraints and interior trim.

·Batteries, battery cables, belts, brakes (drums, shoes, linings, disc rotors and pads), exhaust emission system, exhaust system (including catalytic converter), charcoal canister, evaporative canister, purge valve, canister vent valve, evaporative lines, evaporative vent control solenoid, flow sensor, vapor separator, lights (bulbs, sealed beam and lenses), headlamps and projection lamp assemblies, fuses, fuse blocks, manual clutch, pressure plate, throw out and pilot bearings, clutch master or slave cylinder, manual transmission clutch disc and lining, strut cartridge inserts, shock absorbers, spark plugs and wires, glow plugs, wheels, wheel studs, wiper arms, wiper blades, friction materials, glass, hoses (except high pressure steering and air conditioning).

·Exterior maintenance, adjustment and wear items including but not limited to the vehicle frame, door panels, exterior trim, glass, body parts, bright metal, bumpers, body panels, door handles, hinges, moldings, outside ornamentation, convertible or vinyl tops, paint, rust, sheet metal, side-view mirrors (glass and housing), water leaks, weather strip, wheel covers/ornaments, bumper, or body parts.

·Replacement of maintenance items (such as spark plugs, timing belt, positive crankcase ventilator valve, filters, lubricants and oil, electrical items) made in connection with normal maintenance services.

·Shop supplies, environmental waste or recycling charges, hazardous waste fees, wheel balancing and tune-ups.

PARTS NOT COVERED UNLESS REQUIRED IN CONNECTION WITH A BREAKDOWN:

Air conditioning recharge, filters, fluids, lubricants, coolants, refrigerants, nuts, bolts and fasteners, toe adjustment and wheel alignments will be covered only if replacement is required in connection with a covered breakdown.
